

OBSERVERSHIP

SUPPLYING YOUR HEADSHOT

SIZE: At least 4cm tall

DPI: 300dpi (minimum 4mb jpg file)

Preferable supply in **MONO** although our designers can convert to b/w if you only have a colour photo.

Please try to keep the background neutral and make sure your entire head is in the shot (do not crop head). Please include some neck and shoulders. No sunglasses, hats or mortar boards etc to be worn.

SUPPLYING YOUR BIOGRAPHY (100 WORDS)

Please provide a brief biography that includes details about your current position, major achievements, your involvement in the not-for-profit sector and your personal interests. Please ensure this biography is written in the third person and has a maximum 100 words. If you are successfully placed as an Observer, this biography will be published (in whole or in part) in The Observership Program Handbook, reports and additional publications in relation to The 2023 Observership Program.

AN EXAMPLE IS:

Charlotte is a strategy consultant with extensive experience in health and health analytics in the Australian landscape.
